1. I am the alpha and omega, the beginning and the end, the first and the last, and there is no other besides Me. There is no other power that can withstand the force of My love and who I am, who I am, who I am created to be. I am Me. I was created and I created Me. Now see Me for who I am and see My power, see My love, see My blood shed, poured out on the ground, on the Cross, in eternity, for many, for all. Rejected Me many have, many haven't, and I come now and I increase, I increase those who know Me. I am the first and the last and the beginning and the end, there is none other besides Me. I am that I am, I am who I am, I am I Am, I am the I Am, I am the One and only I Am. I am I Am, and I am Me, I am the King, the creator, the master designer, the ruler of all, and nothing exists but permission is given by Me.

2. Many things I have set in motion this day to belittle, to beleaguer, to confound those who are not interested in pressing into Me--And release the tethers, the chains, the bondage of those who have sought to know Me, and sought to know Me as I Am, and operate in I Am as I Am. I am I Am, and I told you I am I Am-ing My people months and months ago, review, recite.

3. Recalcitrant not with recalcitrant saints-thought who mired in clay want to remain. Bog not down with dialogue and those who choose to remain without, choose to remain in pigpens and slop eat, when they could be sitting at My feet, sitting on My throne, I Am-ing with the I Am.

4. I came and I called and I conquered and I made the way, My blood shed for your blood shed for remission of sins, that's why I called you to forgive each other's sins. Your body broken, your body broken, your body, your will broken to receive My body and My will, so that you can in turn operate as priests of only Me in the Order of Melchizedek and the Order of Me, and the Order of who I am—I am I Am and I am I Am—I am Me.

5. I am I Am and those who choose to challenge Me, challenge. I love you and I love you till your death; but if you choose Me not, you will regard and you will regain the memory of all the times that I came to you and that I chose to nestle you, to touch you, and put My arm around you. You will know and you will remember and you will not be unafraid, and you will, for eternity.

6. Test Me not in these things but come to Me in My gentleness, My love, My blood—way made, the body and the blood, the cup, My mission/your mission, My role/your role, My body broken/your body broken, My will/His will, your will/My will, My child/your child, My Dad/your Dad, My Father is your Father.

7. You are I Am, I Am you are, constraints none. Walk in the maturity that I have called you to, every one of you, every one of My body, cleric and collared and robed-ones-not, tethered to doctrines, saints, any epistemologies not of Me.

8. Epistemologies, oh so beginning, beginnings of Me, beginnings in Me. See Me and how I am, who I am, for what I am, that I am, and that I am in you and that you are in Me, that I am I Am and you are I Am. See My authority, see Me. See Me see you. See your authority. See what I have given you. Walk in Me and the power of My Cross, My Cross. You don't live on My Cross and you don't live on your cross. You live in the power of My resurrection and the power of My resurrection—which overcame all suffering, all defeat, and all the power of the enemy—lives, rules, reigns; lives, rules, reigns in your heart if you have Me there, if you have chosen Me, if you surrendered, chosen to be a drink-offering for Me.

9. Shall the clay say to the potter "fashion me thus"? Will you be a sash around My waist? Or will you take Me and try to make Me an add-on to be a sash on your waist? I love you. I did not add you on, I did not grant you entrance to bow, **I have granted you entrance to become Me, One, One with Me and walk in all the power and authority subservient to nothing, no one else. Transcendent be with Me** and walk with Me on My Emmaus Road, your Emmaus Road, your cross taken, your crucifixion of your will, dying to self exaltation and allowing Me to be Me in you, reflecting Me. One-ship, one-ship, one-ship, one-ship, meekership required, leadership foundation'd, coming into Me-ship you will, everyone of you who will let Me, foundation'd at My knee, repentance cored, repentance secured, repentance unquestioned, reconciled to Me, reconciliation secured, reconciliation unquestioned, reconciliation permanent, eternal.

10. Now walk with Me, walk with Me in repentance and purity, purity, purity. There is no sexual sin in My presence, none, none, none. Walk with Me in purity. The only sin that comes into My presence is those that I wash, that I wash away making you noble, nobility fit for the Master's use.

11. The Father has need of you and has called you into His quarters to sit on His throne this day—you who are many, you are many and you know who you are, and you know that you are one that I have called, that I died for, I shed My body and blood for, if you will open to Me—not for white men, not for rich men, for ALL people, all races, all tribes, all colors, all tongues—My body, My body, My body who I chose, who I created, who I watched and called day after day long ago, years ago, centuries ago, time and time ago, many times ago, and even now yet today I call you. See Me and see your place, your place at My table, your place at My throne beside Me, your cross, crucified, resurrected in Me—reigning and ruling with Me, not thinking it robbery to be equal with Me [1] because you are walking in the power, the meekness, to do what I say and speak what I speak with self exaltation none, drink-offering'd. Clay fashioned by the potter, the potter's heart, the potter's love, masterfully, masterfully tapestry'd, woven, colors of

only Me, hues of power and meekness, authority and meekness granted by My Father, granted by Me, the Trinity you have sought so long to understand.

12. Keys now, keys beginning, keys come, continue to press into Me. I love you. I love you. Now explosive be in your authority that is My authority given, your authority, all of your authority surrendered to My authority—My authority only now coming through you in words of power, grace and glory.

13. Think not I lack any resource, any resources, any people, helpers, land, buildings. Mammon serves Me and you know that now, you know that. Continue, continue in your prayers commanding mammon. You have all authority over mammon. You have authority that I have been given. Now walk in the authority to do the things I have told you to do and be the Man of God reflecting Me, My Father, our spirit, one—One—us one with you, one, with My body—one, one-izing My body. I bless you. I love you.

14. Go. Powerful day! Long lasting relationships, friendships of only Me. I love you. More comes. Speak more I will, today. I love you. Go and powerful be. Thank you thank you. Thank you. In more ways than one.
